### **Watermill Express® donates water for Heaven Fest**

Brighton, Colo. – July 28, 2008 – Watermill Express, the nation's largest drive-up vendor of pure drinking water, provided water at Heaven Fest, which took place July 26, 2008 at the Northern Hills Community Church in Brighton, Colo.

Watermill Express donated 1,300 gallons of chilled water to the approximately 12,000 people who attended Heaven Fest. Watermill Express set up three water tents on the 70-acre complex.

Not only did Watermill Express provide free water for Heaven Fest, it also helped raise money for the Home of Refuge orphanage, by setting up donation boxes at the various water tents. Over \$600 was raised for Home of Refuge, a home that houses 55 rescued, hurt or discarded children in Venezuela.

"Through its water donation, Watermill Express and Heaven Fest showed that this event was not about money," said Tempe Lohmeyer, promotions director at Northern Hills Christian Church. "The hard work and dedication of the Watermill staff showed its strong dedication to the community and to children in need of assistance around the world."

Hot temperatures at the all day music festival made Watermill Express a fan favorite. Lines at the Watermill Express tents reached 100 people deep at times, as patrons waited to fill up their containers. With its water donation, Watermill Express saved approximately 9,100 plastic bottles from being disposed of into landfills.

"What an amazing concept, not only is Watermill Express providing free water for us, they are helping out the environment as well," said Heaven Fest fan Maggie Griffin. "I can't count the times I've attended concerts and bought bottled water after bottled water, only to throw them away after I'm done. This (Watermill Express) is the perfect company for this event."

Heaven Fest is a Christian music festival featuring over 70 artists, who performed on seven stages set up on the 70-acre park. Approximately 12,000 people attended this year's Heaven Fest. For more information visit [www.heavenfest.com](http://www.heavenfest.com)

#### **About Watermill Express:**

Watermill Express is the nation's largest provider of drive-up, pure drinking water. Founded 24 years ago in Brighton, Colorado, the company serves over 100,000 customers daily in the existing 1,200 corporate and franchised locations. Customers supply their own containers and purchase one, three or five gallons of water for an average price of 35¢ per gallon. This is a savings of nearly 95% when compared to a typical 20 oz. bottle of water selling off-the-shelf at \$1.00 per bottle.

Watermill Express is an environmentally friendly alternative to pre-packaged water. By promoting reusable containers, the company has prevented the waste of an estimated 500 million disposable water bottles.

As the innovator of the drive-up pure drinking water concept, Watermill Express is the first in the nation to utilize a daily 29-step quality control checklist, surpassing even the most rigorous state inspection requirements. The company has operations in nine states and is currently offering franchise opportunities in ten additional states.
