Watermill Express® provides water for the La Grulla 15th Annual MDA Trail Ride

Brighton, Colo. – June 8, 2008 – Watermill Express, the nation’s largest drive-up vendor of pure drinking water, teamed up with the local La Grulla Muscular Dystrophy chapter for the 15th Annual MDA Trail Ride.

Watermill Express donated 30 gallons of chilled water to keep the participants hydrated during the 3-mile horse ride along the Rio Grande River. Watermill Express also contributed a ceramic crock, stand and 3-gallon container that were used in the auction that followed the event.

Approximately 500 people, despite rainy conditions, attended this year’s MDA Trail Ride, which consisted of a horseback ride and a chili cook off. “This was a great chance for people to get out and participate in a fun and unique event,” said Eloy Cuaves, local promotions manager for Watermill Express. “The combination of great food and great people made the event a success in raising awareness for Muscular Dystrophy.”

This year’s event raised over \$5,000 for the MDA.

About Watermill Express:

Watermill Express is the nation’s largest provider of drive-up, pure drinking water. Founded 24 years ago in Brighton, Colorado, the company serves over 100,000 customers daily in the existing 1,200 corporate and franchised locations. Customers supply their own containers and purchase one, three or five gallons of water for an average price of 35¢ per gallon. This is a savings of nearly 95% when compared to a typical 20 oz. bottle of water selling off-the-shelf at \$1.00 per bottle.

Watermill Express is an environmentally friendly alternative to pre-packaged water. By promoting reusable containers, the company has prevented the waste of an estimated 500 million disposable water bottles.

As the innovator of the drive-up pure drinking water concept, Watermill Express is the first in the nation to utilize a daily 29-step quality control checklist, surpassing even the most rigorous state inspection requirements. The company has operations in nine states and is currently offering franchise opportunities in ten additional states.
