Watermill Express® provides water at Texas Police Games

Brighton, Colo. – June 18, 2008 – Watermill Express, the nation's largest drive-up vendor of pure drinking water, provided water at the Texas Police Games, which took place June 12-15, 2008 in South Padre Island, Texas.

Watermill Express provided 30 gallons of chilled water to the police officers that participated in the games. In addition, Watermill Express showed its appreciation for the men and women of law enforcement by supplying them with tokens, which can be redeemed for free water at any Watermill Express location.

The Texas Police Games are organized by the Texas Police Athletic Federation (TPAF) to encourage physical fitness among the members of the Texas Law enforcement field. Events such as cycling, team sports and firearm competitions allow law enforcement members to compete and demonstrate their skills. The first Texas Police Games was held in Dallas, Texas in 1977.

About Watermill Express:

Watermill Express is the nation's largest provider of drive-up, pure drinking water. Founded 24 years ago in Brighton, Colorado, the company serves over 100,000 customers daily in the existing 1,200 corporate and franchised locations. Customers supply their own containers and purchase one, three or five gallons of water for an average price of 35¢ per gallon. This is a savings of nearly 95% when compared to a typical 20 oz. bottle of water selling off-the-shelf at \$1.00 per bottle.

Watermill Express is an environmentally friendly alternative to pre-packaged water. By promoting reusable containers, the company has prevented the waste of an estimated 500 million disposable water bottles.

As the innovator of the drive-up pure drinking water concept, Watermill Express is the first in the nation to utilize a daily 29-step quality control checklist, surpassing even the most rigorous state inspection requirements. The company has operations in nine states and is currently offering franchise opportunities in ten additional states.
